How much time do you estimate you spent outside of class preparing for this exam?
Did you do anything different to prepare for this exam from the previous exam? ☐Yes ☐No If yes, briefly explain the changes you made
Do you feel the changes were helpful? □Yes □No Explain:
Based on your responses to the items above, identify at least ONE (if not more) thing you plan to differently in preparing for the next exam. Please be specific in your answer. This should be measurable such as making note cards before every class, reading 30 minutes a day, etc.
What can I do to help support your learning and your preparation for the next exam? (Please be specific.)
